TERMS—The terms of this sale are cash unless other arrangements are made in advance with the owner from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off and will be loaded in compliance with instructions from purchaser.

GUARANTEE—All cattle are sold subject to a 60 day retest for tuberculosis. Health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when sold; if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claims for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between W. P. Lorenzen and buyer of each lot. Neither the sale manager, nor the clerk of the sale assumes any liability, legal or otherwise.

A Word From the Owner

We, at BEVITA STOCK FARM, have produced Shorthorns for forty years because we like Shorthorns and they have always made money for us. In addition they have worked in well with our livestock farming operation. Our Shorthorns have been bred and fed under practical farm conditions. They have produced well, and those sold have always done well for their buyers. We have retained only the top, well bred, and best producing females and purchased only top herd sires. From this sound and proven foundation we offer this select group of young cattle that will do well for their buyers. We will appreciate your appraisal of this offering sale day.

W. P. LORENZEN, Owner.

The W. P. Lorenzen herd is well bred, sound, practical and very productive. In fact, it is so productive that in addition to selling his crop of bulls each year he is able to offer an entire heifer crop or two every few years. Only top herd bulls of the richest bloodlines have been used. The females come from the most prominent and dependable Shorthorn families such as the Augusta, Rosewood, Broadhooks, Rosemary, Mari-gold, Golden Chain and Princess Royal families.

With the exception of 4 cows, this is entirely an offering of young cattle that have their lifetime of usefulness ahead of them.

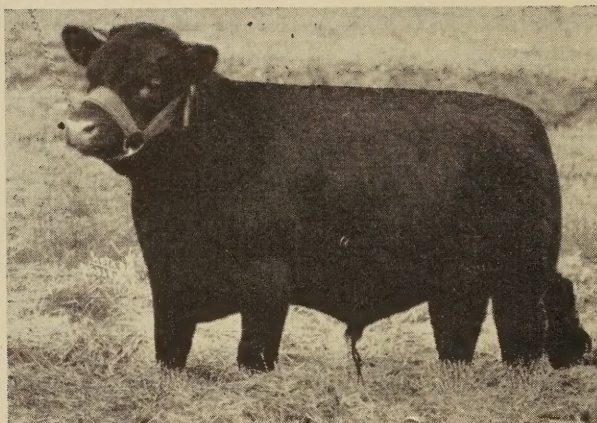

The bulls will fill the needs of breeders, farmers and ranchmen.

The 20 bred heifers are uniform, good colored and well grown.

The 20 open heifers are particularly choice, the kind to place in good herds and real prospects for 4-H and F. A. A. projects.

Here is a real opportunity to buy uniformity of the right kind. Attend this Sale on FEBRUARY 23 and benefit yourself.

KELBURN SATISFACTION—Is a half brother to the 1947 International grand champion bull Kelburn Banker Royal. We purchased this outstanding son of Imported Mount Banker in the 1948 Richardson Stock Farm Sale for \$2300. He was the youngest bull in the sale but decidedly one of the best prospects sold. He is a full brother to Kelburn Climax, purchased by P. F. Law for his Elmbrook Farms, Weston, Ontario, at \$5,000. Kelburn Satisfaction is the sire of 13 bulls, 15 females and 2 calves in this sale. Four females are bred to him. Of all imported breeding, he is probably the top sire ever used in the herd.

S F PRIMROSE 2d—An outstanding young cow that we should keep but are selling only as a sale attraction. Her sire was a CNE champion and sired many top cattle. Her dam is by the well known Bapton Major. She has a top bull in the sale and sells with a Nov. 20 white bull calf at foot by Win Mor Research Victor and will be re-bred.

The next 20 lots are all bred heifers. They are good headed, uniformly dark colored, richly bred and well grown. They are uniform in quality and breeding and will make good brood cows that will produce uniform offspring. They are sired by the two good bulls, KELBURN SATISFACTION and CLAYMORE GOLDSTICK and come from all the good producing families in the herd.

Breeding these heifers was started on December 1st. 18 are bred to the good bull WIN MOR RESEARCH VICTOR, and 2 to the reliable KELBURN SATISFACTION. This group of heifers would make a real foundation.

A COMPLETE LIST OF BREEDING DATES FOR THESE HEIFERS WILL BE FURNISHED SALE DAY.

The next 20 lots are all 1954 heifer calves that sell open. This is one of the choicest groups of heifers ever produced at Bevita Stock Farms. They are sweet headed, thick, deep, low set and rich dark colored. Again they are from all the best producing families in the herd.

15 are sired by the outstanding young herd sire WIN MOR RESEARCH VICTOR. 4 are by our proven sire KELBURN SATISFACTION, and one by a top son of Divide Defender 2d.

Here is really a choice group of heifers that will be old enough to breed next fall and produce a uniform crop of spring calves the next year. In addition, for boys and girls interested in 4-H and F. F. A. purebred heifer projects, this will be a real opportunity to obtain heifers of the right age, breeding and quality that can win in junior shows.
